SUBJECT: Date of reinstatement of [REDACTED]

STAT

I have made a check of Personnel, Finance and Security files in an attempt to find an authorization for [REDACTED] to return to duty from suspension 21 October 1947 instead of 22 October but I have been unable to locate anything. All correspondence and notes from the Personnel specifically state reinstatement effective 22 October 1947 and 21 October is therefore charged to annual leave. STAT
